For Release: 2 September 2013

FINDERS RESOURCES LIMITED

Additional Placement of Shares

Finders Resources Limited (Finders) is pleased to announce that Provident Capital Partners Pte Ltd and its nominees (Provident) have exercised their right to take up their pro rata entitlement of the $4 million placement of shares announced on 6 August 2013 as part of the larger $14 million capital raising.

This amounts to an additional 4,270,310 shares at 20c for total proceeds of $854,062. The pro rata entitlement arises from the original subscription agreement with Provident announced on 12 December 2012.
