

For Release: 23rd JANUARY 2007

FINDERS RESOURCES LIMITED

SIGNIFICANT SHAREHOLDINGS UPDATE

Finders Resources Limited has been advised by RFC Group Limited, that as a consequence of an internal reorganisation in January 2007, it is no longer a significant shareholder in Finders Resources Limited.

Finders Resources Limited has also been advised that due to this reorganisation, RFC Management Pty Ltd, which is now an independently operated subsidiary of RFC Group Limited, is now a significant shareholder in Finders Resources Limited.

RFC Management Pty Ltd is the manager of funds which control a total of 3,275,000 shares in Finders Resources Limited, being 6.2% of the issued shares.

Finders Resources was notified on 6 November 2006 by Craton Capital Precious Metal Fund ("Craton") that as a result of recent on market purchases, Craton's interest in the issued ordinary share capital of Finders has increased from 2,855,000 ordinary shares (5.4 %) to 3,450,000 ordinary shares (6.5%).
