

FINDERS RESOURCES Ltd

Media Release
7 June 2007

Finders Resources to begin trading tomorrow (Friday June 8)

\$6m IPO Successful

ASX code: FND
www.findersresources.com

Finders Resources has been admitted to the Official List of the ASX and has been advised that trading of its securities will begin at 11am on Friday 8 June 2007.

- **Raising will be used to progress Finders' advanced copper and silver-gold projects in Indonesia towards development**

Executive Chairman Dr Russell Fountain said that

"The strong support and commitment by RFC Corporate Finance Ltd (RFC) who are our Nomad on AIM and are Lead Manager and Corporate Advisor for our ASX listing together with broad support for the Offer by brokers and investors have been fundamental to our successful capital raising and we extend a warm welcome to all our shareholders.

"The Finders board is focused on rapidly progressing both the Wetar copper and the Ojolali silver-gold projects towards development, while continuing to assess new opportunities in the region - and we look forward to receiving and releasing further results from the ongoing leach testwork at Wetar and the feasibility work and drilling program at Ojolali which will be important steps in finalising the initial development plans for both projects."

Finders is the operator of the Wetar Copper and Ojolali Gold-Silver Projects, both in Indonesia and holds an investment in Geopacific Resources NL, an ASX-listed company.

Deliverables:

- Final feasibility study for Wetar by 2008
- Upgraded Jambi gold resource and development plan and schedule, third quarter 2007
- Ultimate objectives (subject to feasibility results and development funding) of gold production from Ojolali in 2008, and copper production at Wetar in 2009
- Expansion of resource base through exploration success from multiple defined targets
- Ongoing new project generation by highly experienced team with successful track record.
