

# MARKET RELEASE

23 February 2018

## Finders Resources Limited

### RECEIPT OF NOTICE OF EXTENSION OF OFFER PERIOD

ASX refers to Eastern Field Developments Limited's ("Eastern Field") off-market takeover bid for all of the ordinary shares in Finders Resources Limited ("Company").

ASX has received from Eastern Field a notice of variation of offer extending the offer period, issued pursuant to section 650D of the *Corporations Act 2001* (Cth) ("Act") ("Notice of Extension").

The Notice of Extension extends the offer period so that it now ends at 7.00pm (Perth time) on Friday, 16 March 2018 (unless further extended).

The Notice of Extension is not in a form acceptable for release to the market, because it contains information extraneous to the extension of the offer period and is not otherwise required to be lodged pursuant to the Act (in accordance with section 8 of ASX Listing Rules Guidance Note 14). It is open to Eastern Field to distribute the extraneous information through other channels.

To date, and despite repeated requests, Eastern Field has declined to give ASX the Notice of Extension in a form acceptable for release to the market, which it has already lodged with ASIC.
